

International Diagnostic Course Davos
Excellence in Teaching

**Nuclear Medicine
Satellite Course "Diamond"
in conjunction with the 42nd IDKD**

March 20 – 21, 2010, Davos, Switzerland

International Diagnostic Course Davos
Excellence in Teaching

info@idkd.org, www.idkd.org

Nuclear Medicine Satellite Course "Diamond"

Workshops

1. Nuclear Medicine in the Evaluation of GI and GU Tract Disorders
Ariane Boubaker, Switzerland
2. PET in Hepato-Biliary-Pancreatic Tumors
Stefano Fanti, Italy
3. PET in Tumors of the Digestive Tract
Thomas Hany, Switzerland
4. PET in Genito-Urinary Tract Cancers
Gerald Antoch, Germany
5. Lymphoma: Imaging and Therapy
Angelika Bischof Delaloye, Switzerland
6. Neuroendocrine Tumors of the Abdomen: Imaging and Therapy
Dirk J. Kwekkeboom, Netherlands
7. Tumors of the Adrenergic System: Imaging and Therapy
Cornelis A. Hoefnagel, Netherlands
8. PET in RT Planning of GI and GU Tumors
Annika Loft, Denmark

Duration of "Diamond" Course

Saturday, March 20, 2010
13.00 – 19.00, 4 workshops

Sunday, March 21, 2010
07.45 – 13.45, 4 workshops

Target Audience

- Nuclear medicine residents
- Specialists in nuclear medicine
- Radiologists with interest in nuclear medicine
- Interested clinicians
- Technologists with advanced knowledge in nuclear medicine

Goals for Participants

- Review fundamentals in physiology and anatomy relevant to nuclear medicine imaging
- Update technical, clinical and epidemiological knowledge of pathologies of the abdomen and pelvis
- Practice systematic approach in image interpretation with attention to pitfalls
- Review nuclear imaging aspects in guiding therapy

Course Principles

- Workshops with short introduction to the topic followed by case based interactive discussion with the audience
- Each participant attends all workshops

Course Directors

Juerg Hodler, Zurich, Switzerland
Gustav K. von Schulthess, Zurich, Switzerland
Christoph L. Zollikofer, Kilchberg, Switzerland

Nuclear Medicine Satellite Course Advisor

Angelika Bischof Delaloye, Lausanne, Switzerland

Registration Fee

The Nuclear Medicine Satellite Course "Diamond" is held in conjunction with the International Diagnostic Course Davos, IDKD. Attendees of both courses are offered special rates.

Early (until 31.01.2010)

Regular Fee	CHF 410.00
in conj. with IDKD	CHF 1600.00
Reduced Fee for Residents	CHF 340.00
in conj. with IDKD	CHF 1240.00

Standard (01.02.–01.03.2010)

Regular Fee	CHF 460.00
in conj. with IDKD	CHF 1840.00
Reduced Fee for Residents	CHF 390.00
in conj. with IDKD	CHF 1480.00

Late (from 02.03.2010)

Regular Fee	CHF 510.00
in conj. with IDKD	CHF 2090.00
Reduced Fee for Residents	CHF 440.00
in conj. with IDKD	CHF 1730.00

CME Credit Allowance

The Swiss Society of Nuclear Medicine designates the "Diamond" Course with 12 category 1 points. This course is also accredited by the EACCME and is designated for a maximum of 7 European external CME credits. The Swiss Society of Radiology designates the course with 10 category 1 points.

This event is held under the auspices of the EANM.

Course Language

English

Course Venue

Davos Convention Center, Switzerland
