

Program

**Full day refresher course
„Fundamentals in Imaging: From Head to Toe“**

Saturday, March 30, 2019

The course includes:

- Lecture style full day course
- Access to 100 carefully selected cases highlighting the last 10 years of IDKD
- Cases provided by some of the best known Radiologists in the field
- Excellent training database for an upcoming Board examination

For CME accreditation information, see page 24.

Course Objectives:

- Overview of diagnostic imaging essentials in all body areas („Head to Toe“)
- Review and a refresher for residents, especially when preparing their Board exam
- Information on the state-of-the-art findings in diagnostic imaging as knowledge update

Target Audience:

- Residents preparing for Board examination
- Certified Radiologists looking for an up-to-date concentrated brush-up
- Clinicians looking for an overview of current knowledge in imaging

Course Schedule

09.15 - 09.30	Opening
09.30 - 09.55	Brain Tumor Imaging: Standards and Advanced Techniques Christoph Stippich, CH
10.00 - 10.25	Radiology of the Intensive Care Unit Brett Flicker, USA
10.30 - 10.55	Ultrasound: Diagnoses Not To Miss During Night Shifts Gerhard Stuckmann, CH
11.00 - 11.30	Coffee Break
11.30 - 11.55	Signs in Chest Radiology: Edema, Atelectasis, Consolidation Gerald Abbott, USA
12.00 - 12.25	Pulmonary Infections Loren Ketaj, USA
12.30 - 12.55	The BI-RADS Lexicon - All You Need To Know Katja Pinker-Domenig, USA
13.00 - 14.00	Lunch
14.00 - 14.25	Differential Diagnosis of Focal Renal Masses Harriet Thoeny, CH
14.30 - 14.55	Rectal MRI for Staging and Response Assessment - Current Concepts and Future Trends Daniel Hausmann, CH
15.00 - 15.25	Prostate Imaging: A Recipe to Success Olivio Donati, CH
15.30 - 16.00	Coffee Break
16.00 - 16.25	Radiological Synopsis of Child Abuse Thierry Huisman, USA
16.30 - 16.55	Systematic Evaluation of Standard Radiographs in MSK James Teh, GB
17.00 - 17.25	10 Musculoskeletal Diagnoses You Should Not Miss in the Emergency Room Roman Guggenberger, CH
17.30 - 18.00	How to Use RadioGraphics for Radiology Resident Education Jeffrey Klein, USA

Registration Fees

The participants of the “Fundamentals in Imaging: From Head to Toe” course receive access to the specially selected IDKD online cases, as well as a certificate of attendance.

Early fees (until January 31, 2019)	Regular	Resident*
Standard fees (until March 24, 2019)	CHF 300.00	CHF 240.00
Onsite fees (from March 25, 2019)	CHF 320.00	CHF 260.00
	CHF 340.00	CHF 280.00

*A certificate signed by Head of Department must be provided upon registration. Lunch and coffee breaks are included in the fees.

For Cancellation of Registration policy, see page 22.
